

LOCAL BOYS HOLD HEAVY OPPONENTS

Chickasha Team Shows Class in
Turkey Day Clash with Ana-
darko; Game Ends with
Tie Score, 7-7

HOTLY CONTESTED FROM THE START

Neither Side Able to Make Big
Gains; Visitors Intercept One
Forward Pass; Game De-
scribed in Detail

With their old-time fighting blood still running profusely in their veins, Coach Reed's "bearers of the pigskin," played the final football game of the season with the Anadarko aggregation at University park yesterday. Although handicapped by being considerably bruised and sore from the Cherokee and Enid games, the Chickasha squad put up a never-to-be-forgotten fight. It was a true football game in every particular. Anadarko came to Chickasha with an average of five pounds more beef to the man than Chickasha could boast of and with the belief that they could beat their old-time vanquishers by a margin of at least twenty-one points. Their great trust turned into absolute doubt, however, as the game progressed, and the game ended in a 7 to 7 tie.

That the game would be a closely contested one was evident from the start when both teams were alternately in possession of the much coveted ball and by neither one being able to make any great gains. But to a close observer it could be seen that Chickasha played just a little "classier" ball than did the opposing team. Chickasha kept the ball well into the enemy's territory throughout the game and Anadarko made her score only by intercepting a forward pass on their 10-yard line and running through a clear field for a touchdown.

While all the Chickasha boys played a good game there are some who deserve special mention. Among this number is Dan Riddle, the center. He was a "demon" at tackling "em and one time in the game blocked a punt and ran the ball down the field 40 yards. Louie Gardner, left end, is another notable. He filled his position well and many times caught passes when surrounded by many of the enemy's fighting men. The two Hills as half-backs were real wizards and were good game and Wilson was still "sitting there." Hobson Bule as guard showed that he knew football and much is expected of him in the years to come.

In spite of the hard playing of both sides, however, neither team was able to pile up the larger score, and when the final results were read it was found that each team had made one touch down and had kicked one goal.

The game:
Game called at 3:50 o'clock. Chickasha kicks to Anadarko and downs them on their 40-yard line. Anadarko loses ball on fumble only to regain it again on downs. Anadarko again loses on a fumble and Chickasha punts 40 yards. The game is carried on in the above way for the remainder of the quarter. Each team try passes, line bucks and end runs. The quarter ends with Chickasha's ball on Anadarko's 20-yard line.

At the beginning of the second quarter Chickasha loses the ball on a fumble. Anadarko is forced to punt and downs H. Hill on Chickasha's 40-yard line.

Chickasha is again held for downs. Anadarko punts; Riddle blocks the punt and makes a gain of 40 yards. A pass from Hill to Wilson nets 16 yards. Chickasha attempts another pass, but it is intercepted by Anadarko. Chickasha recovers ball on downs. A series of line bucks and end runs and Goetting goes over for a touchdown near the close of the first half. A. Griffith kicks goal.

Second Half.

Anadarko kicks to Chickasha and downs Hill on Chickasha's 10-yard line. By successive end runs and passes the ball is gradually carried to Anadarko's 10-yard line. Gardner features in this period of the game by his skill in receiving the pass. Anadarko intercepts a pass and runs from Chick-

asha's 10-yard line across a clear field for a touchdown. Anadarko kicks goal. Anadarko kicks to Chickasha. Hill punts across the enemies goal line after material gains have been made by long end runs and passes. The quarter ends with Chickasha's ball on Anadarko's 20-yard line.

In the last quarter both teams show a greater degree of pep and each squad tries in vain to untie the score in its favor. J. B. Hill makes many good gains on long end runs. The ball is kept around Anadarko's 20-yard line for the remainder of the game, but Chickasha is unable to score. The time is up with the ball well toward the middle of the field.

Chickasha's line-up—Carlos Wilson, right end; Golden Shook, right tackle; Hobson Bule, right guard; Dan Riddle, center; R. Griffith, left guard; W. Griffith, left tackle; Louie Gardner, left end; Dewey Luster, quarterback; H. Hill, right halfback; C. Goetting, fullback; J. B. Hill, left halfback.

Time of quarters, 15 minutes.
Touchdowns made—Goetting 1, Boyle 1.
Goals kicked—A. Griffith 1, Anadarko 1.

Officials—Edward's of O. U., referee; Pete Heffner, umpire; head linesman, Royal Riddle of O. U.; timekeeper, Harry Ludlow.

SON SHOTS FATHER BY ACCIDENT

Peter Bruner Gets Load of Shot
in Hip When Boy Opens Fire
on Rabbit; Wound is
Not Serious

While out hunting yesterday morning, Pete Bruner was accidentally shot and seriously wounded by his son Joseph. The accident happened about six miles southeast of Chickasha shortly after 10:30 o'clock. The father and son were on the ground, each armed with a .12 gauge shotgun, when a rabbit jumped out of the surrounding brush and started running across the trail. Young Bruner raised his gun and took a snap shot at the rabbit, the entire load striking his father in the front and side of the right hip.

Medical aid was summoned by telephone, the physician arriving on the scene within a short time of the accident. Temporary treatment was given immediately and the sufferer removed to his home in Chickasha.

A careful probing of the wound resulted in the removal of all the shot from the wound and disclosed the fact that, fortunately, none of the arteries had been injured or severed.

Attending physicians state that barring the possibility of infection, Mr. Bruner is in no danger, although he will be confined to his home for some time.

Mr. Bruner is one of the most widely known and highly respected citizens of Chickasha. He has been a trusted employee of the Gilke-Jarboe Hardware company for a number of years. Joseph, the son who fired the accidental shot, is a student in the Chickasha high school, is about 18 or 19 years of age and is almost prostrated over the sad ending of the Thanksgiving day hunt.

CAUGHT IN BARBED WIRE

Here is graphically pictured the fate of so many of the brave Russians who desperately charge the German positions that are protected by barbed-wire entanglements. Caught in the barricade, the men are mowed down by machine guns.

SERBIA IS STARVING IS REPORT

Men, Women, Children and Animals Perish of Hunger; Horrors Seen on Road from Nish to Monastir

POLISH PEOPLE IN SIMILAR PLIGHT

More Desperate than that of Belgium; Italians Again Claim Capture of Goritz; France Wants Big Loan

By WILLIAM G. SHEPHERD,
U. P. staff correspondent.

MONASTIR, Serbia, Nov. 23.—(Delayed in transmission.)—Serbia is starving. There has been no food in large areas for many days.

Men, women and children and even animals are dying of hunger by the roadsides and mountain paths. Dogs are prowling through the breadless land like wild animals searching for food.

The road from Nish to Monastir is a highway of agony more dreadful than the corpse-strewn Klondike trail ever was. It is lined with dead horses interspersed with the bodies of men, women and children, fugitives who dropped out of the line through exhaustion and lack of food.

More refugees are still streaming along the road in a semi-delirious condition because of privations or hysterical with joy over arrival at a spot where they may find a little food. Fuel is scarce, too. Even the hospitals that are filled with wounded lack fuel.

The fall of Monastir is expected soon. If it comes within a few days, thousands of refugees en route here will be caught on the trail, from Nish without food and no place of refuge except in the mountains. Only a miracle can save them.

Fall of Goritz Reported.

By United Press.
LONDON, Nov. 26.—The Italians claim the capture of Goritz from the Austrians.

The report comes to the Daily Telegraph from Milan, but no confirmation has been received.

German Cruiser Sunk.

By United Press.
PETROGRAD, Nov. 26.—The German cruiser Frauenlob, was sunk in the Baltic Sea at the same time that the Undine was recently sent to the bottom by a British submarine. It is semi-officially stated.

Poland Suffering.

By United Press.
BERLIN, Nov. 26.—Vernon L. Kellogg, director of the Belgian Relief commission, told Ambassador Gerard that with four thousand towns burned and millions of men, women and children starving, the condition of Poland is much more desperate than that of Belgium at its worst.

Kellogg has just finished an investigation of the Polish situation and he held a conference with the ambassador with a view to getting aid for the wretched people. He hopes the allies and Germany will agree through America on a relief plan.

France Needs Money.

By United Press.
PARIS, Nov. 26.—Minister of Finance Rebot today urged the chamber of deputies to vote a credit of one billion six hundred and thirty-four thousand dollars for the first quarter of the year 1916.

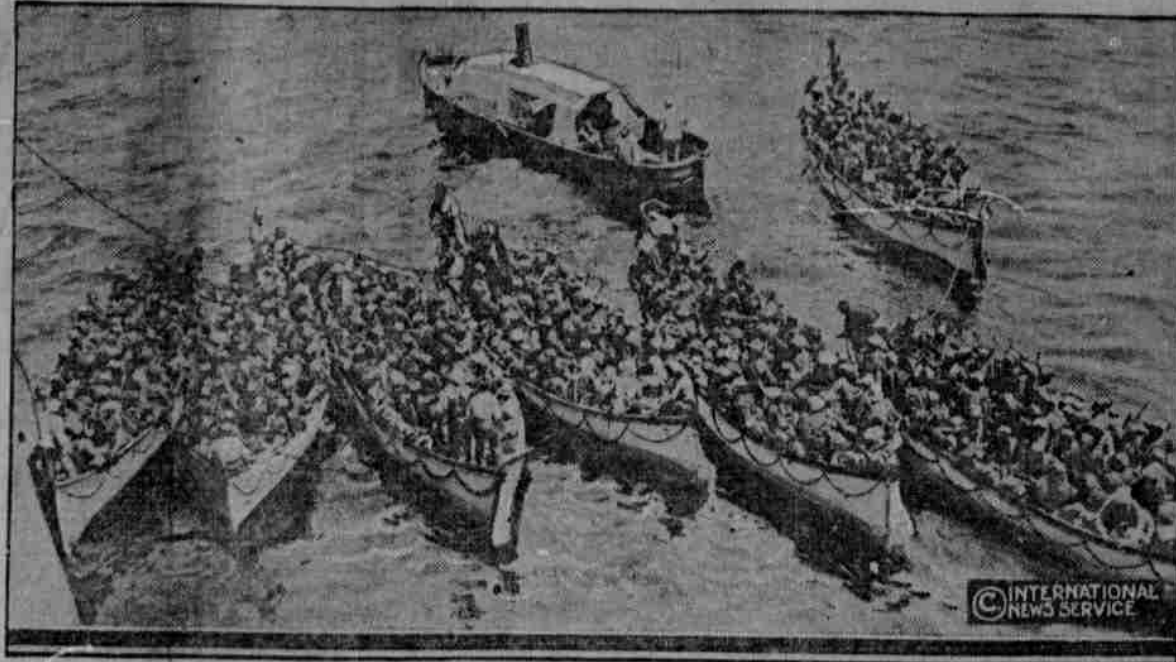

WEATHER FORECAST.

For Oklahoma.
Tonight fair. Saturday, fair and warmer in east portion.

Local Temperature.

During the twenty-four hours ending at 8 o'clock a. m.:
Maximum, 62 degrees.
Minimum, 34 degrees.

LANDING BRITISH TROOPS AT SALONIKI

This is the first photograph to reach America showing the arrival of the allied expeditionary force at Saloniki for the relief of the Serbians. The boats loaded with British soldiers are about to be towed ashore.

VILLISTAS CROSS U.S. BOUNDARY

Fire on Troopers and Insult Consul Official; Reinforcements Sent to Nogales; Bandits Active at Tampico

By United Press.
WASHINGTON, Nov. 26.—Villista soldiers invaded American soil near Nogales, where five hundred of them fired on American troopers and insulted an American consular official yesterday, according to Funston's report to the war department today.

Large reinforcements of American troops are being sent to Nogales. No American casualties were reported as a result of the attack near Nogales. Five Mexicans are known to have been killed.

Colonel Terrazas of the Villistas crossed the boundary with thirty men at Nogales and they yelled at and cursed Vice Consul Simplic and Collector of Customs Hardy, flourishing revolvers. Funston said Radall, the Villista governor, later apologized to Colonel Page.

A report today says the Villista garrison evacuated Nogales after looting the town.

Bandits Busy.

By United Press.
LAREDO, Nov. 26.—Passengers arriving here today from Tampico reported bandits active west of there, where battles are being fought daily. The raiders are looting homes and driving the people away.

Carranzista soldiers are unable to cope with the situation. The bandits dynamited a train between Tampico and Monterey, Tuesday, killing fifty soldiers and injuring others.

GATHER TO GIVE THANKS

The union services held in the Methodist church yesterday morning, were well attended. The church was well filled with those who had responded to the call to appear in public and return the thanks due the Great Giver of all things good.

A full choir was present and the music was excellent, appropriate sacred selections being rendered in impressive manner.

Rev. Edward Teis, pastor of the First Presbyterian church, delivered an able sermon. He chose as the subject of his discourse the principal thoughts in the Thanksgiving Proclamation of President Wilson and touched upon each of them in a masterly manner.

Following the services a collection was taken up, the proceeds to go to United Charities. Twenty-five dollars was realized and will be turned over for use in relieving the needy ones in the city.

Negro is Arrested on Shooting Charge

A. D. Johnson and Julius Davis are residents of "Two" street, Chickasha. Also they are employees of the Chickasha compress. Further also, they are each of Ethiopian descent and of the color of midnight.

Now, in celebration of the coming of Thanksgiving, at a recent hour, Davis announced to Johnson, his name to the contrary, notwithstanding, that he did not consider him so many as a nigger and a man, and that he proposed to hand out a bundle of wing feathers to the aforesaid Johnson through the help, aid and assistance of a keen-edged knife, no razor being at the moment available.

Johnson, however, demurred. He demurred with a large six gun, fully loaded and in good working order. After he had fired two demurrers in the shape of two rapidly fired shots at the man with the knife, the demurrers were sustained, Davis running only because he failed to be provided with wings.

Officer Boles disarmed Johnson and this morning he was turned over to the county authorities and locked in the Grady county jail.

NOT APT TO HEED PLEA OF WOMEN

By United Press.
WASHINGTON, Nov. 26.—Unless the representatives of the Women's Peace party who will call on President Wilson late today, present new evidence in their plea for a peace congress, there is every indication for the belief that they will receive no encouragement.

It is learned that the president does not feel that the right solution of the war problem has been offered. Officials who are in close touch with him say he is more familiar with the political situation abroad than any of those who are urging him to act at this time. It is also understood that the president will not send a national representative on the Ford peace ship.

BATTLING IN THE CLOUDS

Nothing in modern warfare is more dramatic than the battles between air craft. The photograph shows an action between a German aeroplane and a French dirigible airship.

COMPLAINT BY WOMEN WORKERS

Female Employees in British Munition Plants Register Protest with Labor Board; Exploiting is Alleged

RECEIVE \$2.50 TO \$5 FOR WEEKS' TOIL

Pay Remains Low While Cost of Living Increases; Required to Handle Heavy Shells; Shorter Hours Wanted

By HENRY WOOD,
U. P. staff correspondent.

LONDON, Oct. 2.—(By mail.)—Women munition workers of England say they are being sweated and that their patriotism is being exploited to satisfy employers' greed. The women's formal charges, just filed with the labor board, add to the labor middle in the United Kingdom.

The women usually are not affiliated with regular trade unions, whose domain they have invaded, but in this case their charges coincide with the allegations of the laboring men. The English working women, like the men persist in their efforts to get a hearing when the life of the nation is at stake, they say, because although they declare themselves patriotic they cannot permit their patriotism to be exploited.

While the manufacturers grow rich out of government war contracts, the working women insist their wages remain unincreased while the cost of living is constantly ascending. The men charged this too; and the women add that their employers are taking advantage of their inexperience to sweat them.

One advantage the women have is that government boards were appointed to investigate conditions under which they might be called upon to work. These boards have responded to the cry for help and are, after investigation, lending the weight of their authority to the protests.

The complaints center largely in the Manchester district where thousands of women are employed and hundreds are being added weekly. It was found that many factories are installing lighter machinery for the women, but are not paying them men's wages, nor nearly so much.

The wages were found to vary from a maximum of about \$5 for a 48-hour week down to \$2.50 for a 51-hour week. Despite the minimum wage of seven cents an hour fixed many concerns paid less.

The women demand factory canteens so the women night workers may have a hot meal. A demand is also made for a shift schedule that will not permit a woman to work more than eight hours at a time.

Another protest was against heavy work being given to the woman. One young girl handled an 18-pound shell every throughout the day. Other girls were found working on rough cast shells weighing 25 pounds.

The report of the government's committee was that women could not be employed on heavy physical work of this nature for the period of hours now required unless they were paid sufficiently to permit of proper food and nourishment.

ALMOST LEGALLY DEAD.

BELVIDERE, Ill., Nov. 26.—For more than five years relatives here have been seeking Rinard Shawvan, who mysteriously disappeared about eleven years ago. An estate of \$30,000 in which the missing man should share, is held pending the expiration of the seven years since he was last heard from after which Shawvan may legally be declared dead.

In the countrywide search for Shawvan, trace of the missing man was found at Aiken, Minn., and again at Needles, Cal. Shawvan's parents believe he joined the Mexican revolutionists and died in battle. He always wanted to be a soldier. As a boy he played war and accidentally got two fingers of his left hand shot off.

feet of the debris, although the man was at a depth of thirty-five feet, the bottom of the well, when the slide happened.

TO DISCUSS MUNICIPAL MATTERS

Mayors and Other City Officials Will Meet December 9-10; Prominent Speakers on Program for Addresses

NORMAN, Nov. 26.—Addresses by Mayor Ed Overholser of Oklahoma City, Governor R. L. Williams, Mayor Henry D. Lindsley of Dallas, Dr. Stratton D. Brooks of the University of Oklahoma, C. H. Talbot of the University of Kansas, half a dozen mayors of Oklahoma and a number of experts in every line affecting municipal government will feature the program of the Oklahoma municipal league, to be held in Oklahoma City and Norman, December 9 and 10. The completed program was announced by Prof. John Alley, secretary of the league and professor of government at the state university, this morning.

Not less than a hundred mayors and other officers of cities of this state are expected to attend the convention which is being held to afford Oklahoma officials an opportunity to get together and learn from experts the best methods of handling municipal problems.

The first day's meeting will be held in Oklahoma City, where visiting mayors will hear addresses from their own number, from the governor of the state and from a number of experts the state university is supplying as a part of the educational work of the extension division.

Special interurban cars will take the whole body of city officers to Norman for the second day's meeting, where they will hear more lectures on every feature of municipal government. They will be the guests of the university for lunch at noon and the Norman chamber of commerce at a banquet ending the two-day convention on Friday night.

Officers of the league who will have charge of the two-days' meeting are Mayor E. S. Ratliff, Ada, president; Mayor C. A. Lamm, Bartlesville, vice-president; John Alley, professor of government, University of Oklahoma, secretary; Mayor W. R. Roberts, Ardmore, treasurer.

HOLD FUNERAL OF C. A. PELZER

The body of Charles A. Pelzer, who was killed in a cave-in in a well Wednesday, was interred this afternoon at 3 o'clock, the funeral being conducted from the late home of the deceased, 1512 South Sixth street, Rev. J. A. Old officiating.

Mr. Pelzer was buried under about two feet of wet sand by the caving of the sides of a well which he was digging on the farm of Elmer Stone. The accident happened about 10:30 o'clock a. m. but owing to the treacherous character of the soil through which the well was being sunk, rescuers were deterred from entering the well until the sides had been shored up and placed in such condition that further caving would be avoided. When found the body was covered by only about two
